**Ministry of Development Funds and  
Regional Policy of the Republic of Poland**

***Ref: Interreg NEXT Poland — Ukraine Programme 2021-2027***

The Secretariat of the Cabinet of Ministers of Ukraine, in its capacity as the National Authority, extends its regards to the Ministry of Development Funds and Regional Policy of the Republic of Poland.

Following Russia's full-scale invasion of Ukraine the new challenges have emerged. Therefore, some priorities within the framework of Interreg NEXT Poland — Ukraine Programme 2021-2027 (hereinafter referred to as "the Programme") had been outdated.

Ukraine is grateful for fruitful cooperation within the framework of the priority HEALTH of the Programme. 20 projects with EU funding of EUR 39.92 mil were selected during the third Monitoring Committee meeting of the Programme, which took place in December, 2023.

At the same time, the priority TOURISM does not correspond current priorities of Ukraine.

In this regard, we kindly request to consider reallocation of funds under the priority TOURISM to the priority HEALTH.

The Secretariat of the Cabinet of Ministers of Ukraine takes this opportunity to renew to the Ministry of Development Funds and Regional Policy of the Republic of Poland the assurances of its highest consideration.

the Cabinet of Ministers of Ukraine**
